WHAT IS HUMAN TRAFFICKING?
Sex Trafficking

The Federal Trafficking Victims Protection Act (TVPA) defines the crime of trafficking as the recruitment, harboring, transportation, provision, or obtaining of a person for the purpose of a commercial sex act where such an act is induced by force, fraud, or coercion, or in which the person induced to perform such act has not attained 18 years of age. It is important to understand from the federal definition is that anyone under the age of 18 who is induced to perform a commercial sex act is automatically a trafficking victim.
Who are the victims?

Victims are typically U.S. citizens, including adults, girls, boys, and transgender youth. (NHTRC)
Who are the victims?

Only 1-2% of human trafficking victims are ever identified. (National Human Trafficking Resource Center)
Who are the victims?

The average age of entry for youth into sex trafficking in Arizona is 14. (ASU Sex Trafficking and Intervention Research (STIR))
Who are the victims?

In 2014, an estimated 1 out of 6 endangered runaways reported to the National Center for Missing and Exploited Children were likely child sex trafficking victims. (National Center for missing and Exploited Children)
Who are the victims?

In Arizona, 1 in 4 homeless young adults have experienced sex trafficking. (ASU YES Survey, 2014)
