

Improving Access to Quality Medical Care

The practice and delivery of healthcare is changing, with an emphasis on improving quality, safety, efficiency, & access to care. The [University of Arizona](#), [Department of Pathology](#), the [Arizona Telemedicine Program](#) & the [Southwest Telehealth Resource Center](#) invite you to a **free** webinar on the implementation and practice of telemedicine.

Webinar

Tuesday, May 2, 2017 ~ 12:00pm PDT

(12pm PDT; 1pm MDT; 2pm CDT; 3pm EDT)

“Non-Alcoholic Fatty Liver Disease (NAFLD)”

Learning Objectives:

1. To define NAFLD and recognize the spectrum
2. To recognize well established co-morbidities
3. To understand current recommendation for management of NAFLD

Richa Jain, MD
Assistant Professor
Department of Pathology

Dr. Richa Jain is a board certified pathologist, who is fellowship trained in GI pathology. Her main area of interest is liver pathology, particularly medical liver diseases. Dr. Jain received training in liver pathology during her fellowship at University of Arizona as well as at Kings College, Institute of liver studies, London. She has been working as Assistant Professor in the Department of Pathology and Adjunct Assistant Professor in the Department of Gastroenterology since finishing her education.
