## Guest WiFi Network: UAGUEST

UAGuest is a wireless network available to visitors of the University of Arizona. After visitors select the UAGuest network on their devices, they can establish UAGuest accounts by entering a username and phone number. The account will be valid for five days. After that time, visitors will need to establish a new account.

UAGuest is an unsecured network. Do not send private information such as credit card numbers over this network. UA students, faculty, and staff should use UAWiFi.

### Establishing An Account

- Select UAGuest from your wireless options.
- Open a web browser if one does not automatically open for you.
- The Welcome UAGuest webpage will appear.
- Click on Create Account at the bottom of the webpage.
- Enter your name and cell phone number (enter hyphens, e.g., XXX-XXX-XXXX).
- Enter 6 digit code.
- You will receive a text message containing your assigned username and password.
- Enter your username and password on the Welcome UAGuest webpage.
- Read the Acceptable Use Policy and click Accept.
- This login remains valid for 5 days.
