Hopi

<https://walmarthealthvirtualcare.com/>

The screenshot shows the Walmart Health Virtual Care website. At the top left is the logo "Walmart Health Virtual Care". The navigation menu includes "For Organizations", "For Individuals", "How it Works", "Why WHVC", "About", and "Contact". A blue button labeled "Start visit" is in the top right. A blue banner below the navigation reads "MeMD is now Walmart Health Virtual Care". The main content area features a large image of a doctor on a screen. The headline "Healthcare with a modern touch" is centered. Below it is a sub-headline: "Our telehealth solutions make it easy for people to access best-in-class care whenever & wherever, while driving down overall healthcare costs." At the bottom of the main area are two blue buttons: "For organizations" and "For patients".

TytoCare

<https://www.tytocare.com/>

The screenshot shows the TytoCare website homepage. At the top, the headline reads "Primary care from home, with no compromises" in purple. Below this, a sub-headline states: "Finally, families all over the world can have access to excellent and affordable healthcare with the Home Smart Clinic, that delights users and offers convenience, comfort, and control." Two buttons are visible: a green "Book a demo" button and a white "The TytoCare vision" button with a play icon. The background features a doctor examining a child's ear with a device. A navigation menu at the bottom includes "tytoCare", "How it works", "Solutions", "Products", "Resources", "About us", and a green "Request more info" button. Below the navigation is a section titled "Who we serve" with two columns: "Health plans" (with a building icon) and "Providers" (with a stethoscope icon). Each column contains a brief description and a "Learn more" link with a right-pointing arrow.

Licensure Compacts

The Nurse Licensure Compact (NLC) allows a nurse to have one multistate license with the ability to practice in the home state and other compact states.

39 jurisdictions have enacted NLC legislation
