

Voices of the Community: Enhancing Tribal Telehealth Together

This virtual listening session will gather insights from healthcare providers and stakeholders working with tribal communities on the challenges and opportunities in implementing and using telehealth. The session will include an overview of telehealth by Dr. Sara Gibson, a discussion on telehealth resources by Southwest Telehealth Resource Center, and an open forum for providers to share their experiences.

Date: Tuesday, March 25, 2025

Time: 10:00am - 12:00pm

Who Should Attend: Tribal Leaders; Healthcare Providers Serving Tribal Communities; Representatives from Tribal Health Departments; Indian Health Services; Members of Tribal Organizations; Telehealth Technology Providers
