

Telemedicine Applications
November 2, 2020
Accreditation and Disclosure Update

Due to unforeseen circumstances, one of our presenters will be unable to present on Monday. Below are the updated accreditation and disclosure statements for this event.

Disclosure Statement

- All Faculty, CME Planning Committee Members, and CME Office Reviewers have disclosed that they have no financial relationships with commercial interests that would constitute a conflict of interest concerning this CME activity.

Accreditation Statement

- The University of Arizona College of Medicine – Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
- The University of Arizona College of Medicine – Tucson designates this live activity for a maximum of 4.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Outcome Objectives

- Utilize telemedicine applications to provide healthcare services to remote patients.
- Create work plans for patients that will provide them the best and least expensive access to healthcare at a distance.
- Partner with telephysicians to create interdisciplinary teams.
- Determine clinical settings in which telehealth practice is applicable.
- Differentiate strengths and limitations to applying telemedicine in various clinical scenarios.
- Implement telehealth training for support staff, including nurses and PAs.
