

## THE CENTER FOR RURAL HEALTH WEBINAR SERIES

*A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural health issues to statewide rural partners and stakeholders throughout the state.*

**Webinar:**  
**Tuesday, March 15, 2018**  
**12:00 pm MST**

# *Hospital Community Health Needs Assessments – Best Practices, Tips for Future Success, & Next Steps*

### **Learning Objectives:**

At the end of this webinar participants will be able to:

- Describe the development and purpose of the Community Health Needs Assessment (CHNA)
- Compare and Contrast the health priorities identified by rural hospital CHNA's and state level health priorities from the state health assessment and improvement plan
- Identify best practices and resources to strengthen future CHNAs
- Connect the shared health priorities and identify the state level health improvement strategies that can be implemented in rural communities

**Bryna Koch, MPH**, provides data analysis and evaluation support for several programs at the Arizona Center for Rural Health including the Arizona Rural Hospital Flexibility Program and the AzCRH Navigator Consortium. Bryna has worked in program and policy evaluation for 10 years and is currently a Doctorate of Public Health student in Public Health Policy and Management.

**Jennifer Peters** serves as the Program Manager for the Arizona State Office of Rural Health Program at the Arizona Center for Rural Health. She has 17 years of experience working to facilitate meaningful partnerships to promote the core functions of the AzSORH Program, which include information dissemination, coordination of resources, and technical assistance. Jennifer has experience in the development, implementation, and utilization phases of community health needs assessments and community health improvement plans at the state, county, and local level.
