

ARIZONA TELEMEDICINE PROGRAM WEBINAR SERIES- TELE-APPLICATIONS AND SERVICES

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program and Southwest Telehealth Resource Center invite you to a free one-hour **CME** webinar on the implementation and practice of telemedicine. CME provided by The University of Arizona College of Medicine - Tucson

TELEREHABILITATION

WEDNESDAY, DECEMBER 3, 2025

12:00 pm Arizona Time (MST)

11:00 AM PST ~ 12:00 PM MST ~ 1:00 PM CST ~ 2:00 PM EST

Join us to explore the future of telerehabilitation. Learn how virtual rehab programs are transforming recovery for a variety of patients, the latest research on clinical outcomes and patient engagement, and how artificial intelligence is being used to personalize treatment, track progress and enhance delivery of care. This webinar will provide practical insights for clinicians, researchers, and telehealth professionals interested in advancing rehabilitation through technology.

OUTCOME OBJECTIVES

- Identify telerehabilitation models for cancer care.
- Describe clinical impact of telerehabilitation in degenerative disease and COPD.
- Explain emerging AI applications in telerehabilitation that support positive patient outcomes.
