

ARIZONA TELEMEDICINE PROGRAM WEBINAR SERIES

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program and Southwest Telehealth Resource Center invite you to a free one-hour **CME** webinar on the implementation and practice of telemedicine. CME provided by The University of Arizona College of Medicine - Tucson.

PRESCRIBING IN TELEMEDICINE: CHARTING THE COURSE BEYOND THE PHE ERA

TUESDAY, FEBRUARY 13, 2024

12:00 pm Arizona Time

11:00 am PST ~ 12:00pm MST ~ 1:00 pm CST ~ 2:00 PM EST

Join us to learn about the current state of prescribing medications in telemedicine, identify emerging trends and technologies, and discuss potential opportunities and challenges for practice.

OUTCOME OBJECTIVES

- Understand the current landscape of prescribing medications in telemedicine, including relevant regulations and guidelines.
- Identify emerging technologies and trends in telemedicine that are influencing the prescription and management of medications.
- Discuss potential opportunities and challenges in prescribing medications via telemedicine, including patient safety, privacy and security, and the role of the healthcare provider.

PRESENTER

Beju Shah, PharmD, MBA

*Senior Telemedicine Success Manager
doxy.me*

Dr. Shah has over 25 years in both healthcare and technology as both a pharmacy automation expert and a thought leader. With his current role, he is integral in leading advocacy initiatives centered around pharmacy and telehealth prescribing regulations. Throughout his career, Dr. Shah's passion for healthcare innovation has led him to specialize in the medication use process, working extensively with pharmacy information systems and EHRs. His career experience has led him to become a go-to speaker for both industry and educational events.

FACILITATOR

Tara Sklar, JD, MPH

*Faculty Director of Health Law, Arizona Law
Associate Director of Telehealth Law & Policy,
Arizona Telemedicine Program*
