

## THE AZ CENTER FOR RURAL HEALTH WEBINAR SERIES

*A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural health issues to statewide rural partners and stakeholders throughout the state.*

### Webinar:

Thursday, May 16, 2019

12:00 pm Arizona Time

# *Syphilis 2019: Return of the Great Masquerader*

### Learning objectives:

1. Describe syphilis epidemiologic trends in Arizona and Nationally.
2. Discuss current screening recommendations for syphilis.
3. Describe best practices for clinical management of syphilis including diagnosis, staging, treatment and follow-up.

**Sharon Adler, MD, MPH**, is clinical faculty at the California Prevention Training Center and is also an Assistant Clinical Professor at University of California, San Francisco (UCSF), in the department of Family and Community Medicine. She received her medical degree at the Mount Sinai School of Medicine in New York and her Master of Public Health degree from the University of California at Berkeley (UCB). She completed the Family Practice Residency program at UCSF as well as the General Preventive Medicine/Public Health program run by the UCB/UCSF. Dr. Adler has worked in the STD field for more than 15 years including 10 years of work at the California Department of Public Health STD Control Branch. She is board certified in Preventive Medicine/Public Health and has clinical experience working in community health and public health clinics in the San Francisco bay area as well as at the San Francisco STD City Clinic. In her current position Dr. Adler develops curricula, conducts and coordinates STD trainings with a focus on special populations including, Correctional, Indian Health Service, Pacific Island and Border Health providers.
