

THE AZ CENTER FOR RURAL HEALTH WEBINAR SERIES

A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural health issues to statewide rural partners and stakeholders throughout the state.

Webinar:

Thursday, August 27, 2020

12:00 pm Arizona Time

Overdose Recognition & Naloxone Training for Community Health Workers and Representatives

Learning objectives:

1. Identify the relationship between trauma and substance use.
2. Recognize signs of an opioid overdose.
3. Identify aftercare next steps, including where to refer to resources.

Alyssa Padilla, MPH, is the Arizona Center for Rural Health Community Outreach Manager. She supervises programs around access to care and harm reduction (like naloxone) in Arizona.

Ariel Tarango is a Health Educator and Community Outreach Specialist for the Arizona Center for Rural Health. Since 2015, she has worked to help educate Arizona communities about access to care, opioid overdose recognition, and naloxone administration.

Elena "Lena" Cameron is a health educator assistant for the Arizona Center for Rural Health. She has been working with opioid and harm reduction programs since 2018.
