

ARIZONA CENTER FOR RURAL HEALTH WEBINAR SERIES

A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural health issues to statewide rural partners and stakeholders throughout the state.

Webinar: Thursday, January 20, 2022

12 - 1:00 pm Arizona Time

Mobilizing Partners: Advancing Health Equity and Addressing Disparities (AHEAD) in Arizona

Learning objectives:

1. Identify AzCRH-led initiatives to support rural health care and public health partners in addressing COVID-19 driven inequities.
2. Describe lessons learned from two years of COVID response.
3. Understand the importance of adopting a health equity lens to inform continued COVID-19 response and recovery.

Dr. Mona Arora is a Tucson native and an Assistant Research Professor at the Mel and Enid Zuckerman College of Public Health. She currently serves on the UArizona pandemic response team and is a co-chair of the campus COVID-19 Vaccine Task force. Dr. Arora has recently taken on the role of co-lead on a CDC-ADHS COVID-19 Health Disparities Initiative aimed at advancing health equity & address social determinants of health related to COVID-19 health disparities among higher risk and underserved populations. She teaches undergraduate and graduate courses in Emergency Preparedness, Climate Change, and One Health at the

College of Public Health.
