

Improving Access to Quality Medical Care

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program and the Southwest Telehealth Resource Center invite you to a **free** webinar on the implementation and practice of telemedicine.

“Dr. Compliance: or how to stop worrying and love the 7 elements”

3 learning objectives:

1. Repeat the 7 elements of an effective compliance program
2. identify one element to take away and use today
3. OIG updates on telehealth and what it means to us

Carol Yarbrough is a specialist in Federal and State regulatory billing & reimbursement guidelines. Holding certificates in hospital and professional fee, ophthalmic and clinical compliance she provides us with the rest of the story. You know her as our inside scooper on telehealth and other virtual care policies, updates and the next new things.
