

2022 Arizona Center for Rural Health Fall Webinar Series

A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural health issues to statewide rural partners and stakeholders throughout the state.

August 18th, 2022

12:00 - 1:00 pm

Loren Halili, MPH

Identifying and Addressing Health Misinformation

- ▶ Understand what misinformation is and how it is spread
- ▶ Identify different types of misinformation
- ▶ The role of healthcare and public health professionals in dispelling misinformation

Loren Halili is a recent graduate of the University of Arizona, where she received both her B.S. and MPH in public health. She currently works at the Arizona Center for Rural Health as a program coordinator for the Public Health Youth Champions Training program. In her role, she has developed trainings on community resilience, misinformation, and advocacy. She has taught workshops on these topics for summer youth programs on campus and will continue to develop curriculum for future partnerships with youth engagement initiatives across the state.
