

2022 Arizona Center for Rural Health Fall Webinar Series

A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural health issues to statewide rural partners and stakeholders throughout the state.

Thursday, November 17, 2022 12:00 - 1:00 pm AZ Time

Elisa Gumm, DO Harm Reduction Strategies

A Special National Rural Health Day Webinar

Learning objectives

- ▶ Develop the harm reduction conversation skills
- ▶ List the most common harm reduction tools
- Assess the optimal way to distribute harm reduction tools

Dr. Gumm is the Medical Director of Addiction Services at the SAVAHCS in Tucson, AZ and the Director or the Addiction Medicine Fellowship program at the University of Arizona College of Medicine's Department of Psychiatry. She developed the Addiction Medicine Fellowship in 2018, and in 2020 she secured a \$1.4 million Health Resources and Services Administration (HRSA) grant to expand the fellowship and further enhance the infrastructure of the program. Dr. Gumm has over eight years of experience working in inpatient detoxification with consult liaison services, outpatient addiction clinic, and inpatient residential rehabilitation programs. Dr. Gumm has a passion for Addiction program implementation and has assisted other facilities in developing Addiction Medicine services thus increasing access within the VA and Banner systems.
