Janet Major, B.S.
Associate Director
for Facilities

Janet Major is the Associate Director of Facilities for the Arizona Telemedicine Program (ATP). She earned her B.S. Degree in Telecommunications from Northern Arizona University with her major emphasis in producing and directing. She has worked at the University of Arizona for 30 years and was initially the primary manager of videoconferencing services at the Arizona Health Sciences Center. She has since been employed by ATP for 20 years. As Associate Director of Facilities, her current responsibilities include the planning, development and installation of the teleconferencing and telemedicine peripheral equipment used in telemedicine sites. She also provides training to healthcare professionals in the effective use of teleconferencing for both clinical and educational applications.
Ms. Major serves as Co-Chair for the mHealth, Technology & Distance Learning Special Interest Group of the American Telemedicine Association as well as the board of USDLA; the United States Distance Learning Association, representing the telehealth constituency and ATIC; the Arizona Telecommunications and Information Council, serving on the board with fellow telecommunications experts to eliminate broadband disparity in rural and urban Arizona.

Healthcare technology moves fast. Consumers are fickle. Competition is fierce. Will your innovation stand out from the crowd? Share it and shop it at the ATA18 Pitch Jam!

15 minutes that can change your company's future.
The American Telemedicine Association's Annual Conference, ATA18, is the world's largest innovation & networking event focused on telehealth and telemedicine. At ATA18, our attendees aren't just interested in healthcare technology. They are the 5000+ clinicians, academics, policy makers and deciders closest to telehealth and telemedicine. Where better to gain valuable feedback from this super-concentrated micro-segment?

We're looking for 6 promising startups to pitch to our panel of patients, clinicians, tech industry insiders and investors. Startups will have 5 minutes (12 slides max) to pitch, 7 minutes to field questions from our judges, and 3 minutes to close.

ATA2019 ANNUAL CONFERENCE AND EXPO

http://www.ata2019.org/

Together, we will design the future of modern healthcare.

At ATA2019, healthcare professionals and leaders from an array of healthcare and technology sectors unite as one, cohesive community. Attendees learn, innovate, network, and return to their organizations with actionable insights, long-lasting connections, and an enhanced appreciation of telehealth—and how it transforms the way we deliver healthcare.

Please save the date for ATA2019: April 14–16, 2019 in New Orleans. You have so many choices in terms of conferences: we want to make sure ATA2019 is at the top of your list.
