

The [Arizona Telemedicine Program](#), the [Southwest Telehealth Resource Center](#) invite you to a **free** webinar to review some of the telemedicine and telehealth technology recently exhibited at the American Telemedicine Association's 27th Annual Telemedicine Meeting & Trade Show: ATA 2022

## Webinar

Thursday, September 22 ~ 12:00pm Arizona Time

(12pm PDT; 1pm MDT; 2pm CDT; 3pm EDT)

# ATA 2022 Exhibit Hall Technology Review

### Learning Objectives:

1. Review the current trends observed at the annual signature event for telemedicine technology.
2. Take a virtual tour of the ATA 2022 Conference & Expo held in Boston
3. Learn who to go to and where to go to get access to the best resources in telemedicine and telehealth technology.

Janet Major, BS  
Associate Director,  
Innovation &  
Digital Health

**Janet Major** is the Associate Director for Innovation & Digital Health for the Arizona Telemedicine Program (ATP) and the Southwest Telehealth Resource Center (SWTRC). Her role includes the planning, development and installation of the teleconferencing and telemedicine technology used for providing telemedicine services in a wide variety of locations. She provides training for all levels of healthcare professionals in the effective use of videoconferencing for clinical and educational applications used for LIVE interactive and store-and-forward applications. She has served as a leader for several statewide and national organizations with an emphasis on those that promote and support recruiting, training and preparing the healthcare workforce of the future. She is the past Chair for the mHealth, Technology & Distance Learning Special Interest Group of the American Telemedicine Association and continues to serve as a leader in the telemedicine technology community. She has served as President and Chair of the United States Distance Learning Association during her 10-year tenure on their Board of Directors. Ms. Major has been active throughout her career with the network of telecommunications experts of Arizona and continues to participate in activities that support our state's broadband office and as an Associate Board Member of ATIC: the Arizona Telecommunications and Information Council. She serves as an enthusiastic advocate for improving broadband access for the tribal communities in Arizona and the southwest, including supporting the growth of telehealth in our neighboring states.
