Improving Access to Quality Medical Care

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program, Southwest Telehealth Resource Center, and the Arizona Department of Health Services invite you to a **free** webinar on the implementation and practice of telemedicine.

“The ABC’s of RPM”

Friday, April 16, 2021 ~ 11:00 pm PDT/2:00 pm EDT

Learning Objectives

1. The RPM Codes and What the Definitions Mean to Your Practice
2. The Payors: Medicare and Arizona
3. The Questions and the Answers

Presenter:

Carol Yarbrough is a healthcare compliance and reimbursement specialist. Providing a unique background in legal, technology, revenue management, clinic management and both federal and state regulations, for the past four years, she has actively contributes to telehealth initiatives at UC Health. She works hands-on with professional fee and hospital-based fee professionals to implement billing strategies and provides real-time feedback to clinicians regarding documentation and staff with encounter guidance. She also trains CPT coding professionals at UC Medical Center in order to maximize EMR workflow with greater documentation and coding
