

THE CENTER FOR RURAL HEALTH WEBINAR SERIES

A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural health issues to statewide rural partners and stakeholders throughout the state.

Webinar:

Thursday, November 15, 2018

12:00 pm Arizona Time

Growing the Power of Rural: The Rural Health Workforce in Arizona

Learning objectives:

1. Achieve a better understanding of the characteristics of the rural health workforce
2. Understand 3-5 reasons for rural health workforce shortages
3. Describe 2-3 state-level and federal-level programs that aim to address health professional shortages in rural areas
4. Describe policies under consideration to address health workforce issues affecting rural Arizona
