

THE CENTER FOR RURAL HEALTH WEBINAR SERIES

A webinar series focused on providing technical assistance to rural stakeholders to disseminate research findings, policy updates, best-practices and other rural health issues to statewide rural partners and stakeholders throughout the state.

Webinar:
Thursday, October 18, 2018
12:00 pm MST

Addressing Vaccine Hesitancy with Parents and Families

Learning Objectives:

At the end of this webinar participants will be able to:

1. Understand Best Practices for immunization delivery
2. Decrease concerns for vaccine hesitant parents
3. Use strategies to promote vaccine information in adolescents and pregnant women

Aleksandra Obradov, MD is a pediatrician who recently completed her residency training at Phoenix Children's Hospital/Maricopa Medical Center. She obtained her medical degree at the University of Arizona in Tucson, where she also completed her undergraduate studies in biochemistry and molecular biophysics along with molecular and cellular biology. She will be working at the Maricopa Integrated Health Systems Maryvale Family Health Center, where she will be pursuing her passions of caring for the underserved population and vaccine education.

Dr. Albert D. Jacobson (A.D.) has a comprehensive and diverse background in the field of immunizations. He obtained his degree in Accounting from ASU and then attended Medical School at the University of Oregon Health Services. He has a vast array of accomplishments which includes: being the first pediatric intern at the Arizona Good Samaritan Hospital, completing a Pediatric Residency at the Naval Hospital and UC San Diego, and completed a Pediatric Nephrology Fellowship also at UC San Diego. He founded and was Medical Director at the Pediatric Associates in Phoenix, AZ. He is the original founder of the Phoenix Children's Hospital and worked as their Chief of Ambulatory Pediatrics and as the Medical Director. He maintained various positions at the AZ Chapter of the American Pediatrics (AZAAP) as well as the National AAP. He's provided specialized lectures on aspects of healthcare policy. He is now the Chairman of the Board at The Arizona Partnership for Immunization (TAPI).
