

Improving Access to Quality Medical Care

The practice and delivery of healthcare is changing, with an emphasis on improving quality, safety, efficiency, & access to care. The [Arizona Telemedicine Program](#) & the [Southwest Telehealth Resource Center](#) invite you to a **free** webinar on the implementation and practice of telemedicine.

Challenges to Effective Telehealth in Colorado

Wednesday, April 6, 2022 ~ 12:00 pm MDT

(11amPDT; 12pm MDT; 1pm CDT; 2pm EDT)

Learning Objectives

Learn from leaders of 3 very different Colorado-based healthcare organizations

1. their biggest challenges in the provision of telehealth care.
2. their efforts to address these challenges.
3. The degree to which these efforts have been successful.

We also hope to learn from participants, through the chat, the challenges faced by other Colorado-based healthcare organizations in the effective provision of telehealth care.
