

## Improving Access to Quality Medical Care

The practice and delivery of healthcare is changing, with an emphasis on improving quality, safety, efficiency, & access to care. The [Arizona Telemedicine Program](#) & the [Southwest Telehealth Resource Center](#) invite you to a **free** webinar on the implementation and practice of telemedicine.

# Care by Video? Telephone? Email? Text? Remote Monitoring?

**When to offer which if reimbursement is not an issue.**

**Tuesday, March 23, 2021 ~ 11:00 am PT**

(11amPT; 12pm MT; 1pm CT; 2pm ET)

### **Objectives:**

Learn from four very experienced primary care physicians when each of the following care processes are appropriate, not appropriate, the best value (greatest clinical outcomes at the lowest cost/time spent)

- Care by Video
- Care by Telephone
- Care by e-mail
- Care by Text
- Care by Remote Monitoring
