Addressing the Nonmedical Use & Misuse of Prescription Drugs

1999 to 2010 opioid deaths quadrupled

Collateral damage devastates individuals, their families & society

http://www.cdc.gov/HomeandRecreationalSafety/pdf/HHS_Prescription_Drug_Abuse_Report_09.2013.pdf

For every 1 death there are...

10 treatment admissions for abuse⁹

32 emergency dept visits for misuse or abuse⁹

130 people who abuse or are dependent⁷

825 nonmedical users⁷

Rx Misuse & Abuse in Arizona

**Almost one death per day is
due to Rx opioid overdoses**

- 272 AZ deaths from prescription opioid pain relievers
- Pain reliever deaths > heroin + cocaine deaths
- 180 Heroin overdoses
- From 2008-2014:
 - Newborns with narcotics in their system rose **235%**
 - Babies born with fetal alcohol syndrome increased **50%**

Safe and Effective Opioid Prescribing While Managing Acute and Chronic Pain

[Course](#) [Information](#)

[References](#) [Resources](#) [Tutorials](#) [Tools](#)

Safe and Effective Opioid Prescribing While Managing Acute and Chronic Pain

This course includes a minimum of 11 assessment questions that you must answer correctly in order to receive credit for participation. You are allowed unlimited re-attempts.

This course addresses the use and abuse of opioids in treating chronic pain in adults. You will practice your skills and learn new information by managing the following patients:

Francisco Cruz, a 32-year-old teacher with acute back pain.
He has been self medicating with acetaminophen and a hydrocodone-acetaminophen combination product.

Marc Foster, a 37-year-old disability recipient with long-standing osteoarthritis and chronic pain.
He is being followed by a rheumatologist and has been referred to you for opioid management.

Margo Freese, a 44-year-old customer services manager with low back pain.
She has had several inconclusive imaging studies and is on partial disability at work. She has tried a number of medications and is seeking something to improve her lower back pain.

Before beginning, you may wish to review the course [references](#), as well as various [resources](#), [tutorials](#), and [tools](#), such as screening/assessment forms and patient handouts. These items are accessible on any course page by clicking the links in the blue navigation bar at the top of the course screen.

Controlled Substances Prescription Monitoring Program

Dean Wright, RPh
CSPMP Director
Arizona State Board of Pharmacy

Controlled Substances Prescription Monitoring Program

Faculty Disclosure Declaration:

I have no actual or potential conflict of interest in relation to this program or presentation.

Controlled Substances Prescription Monitoring Program

Learning Objectives:

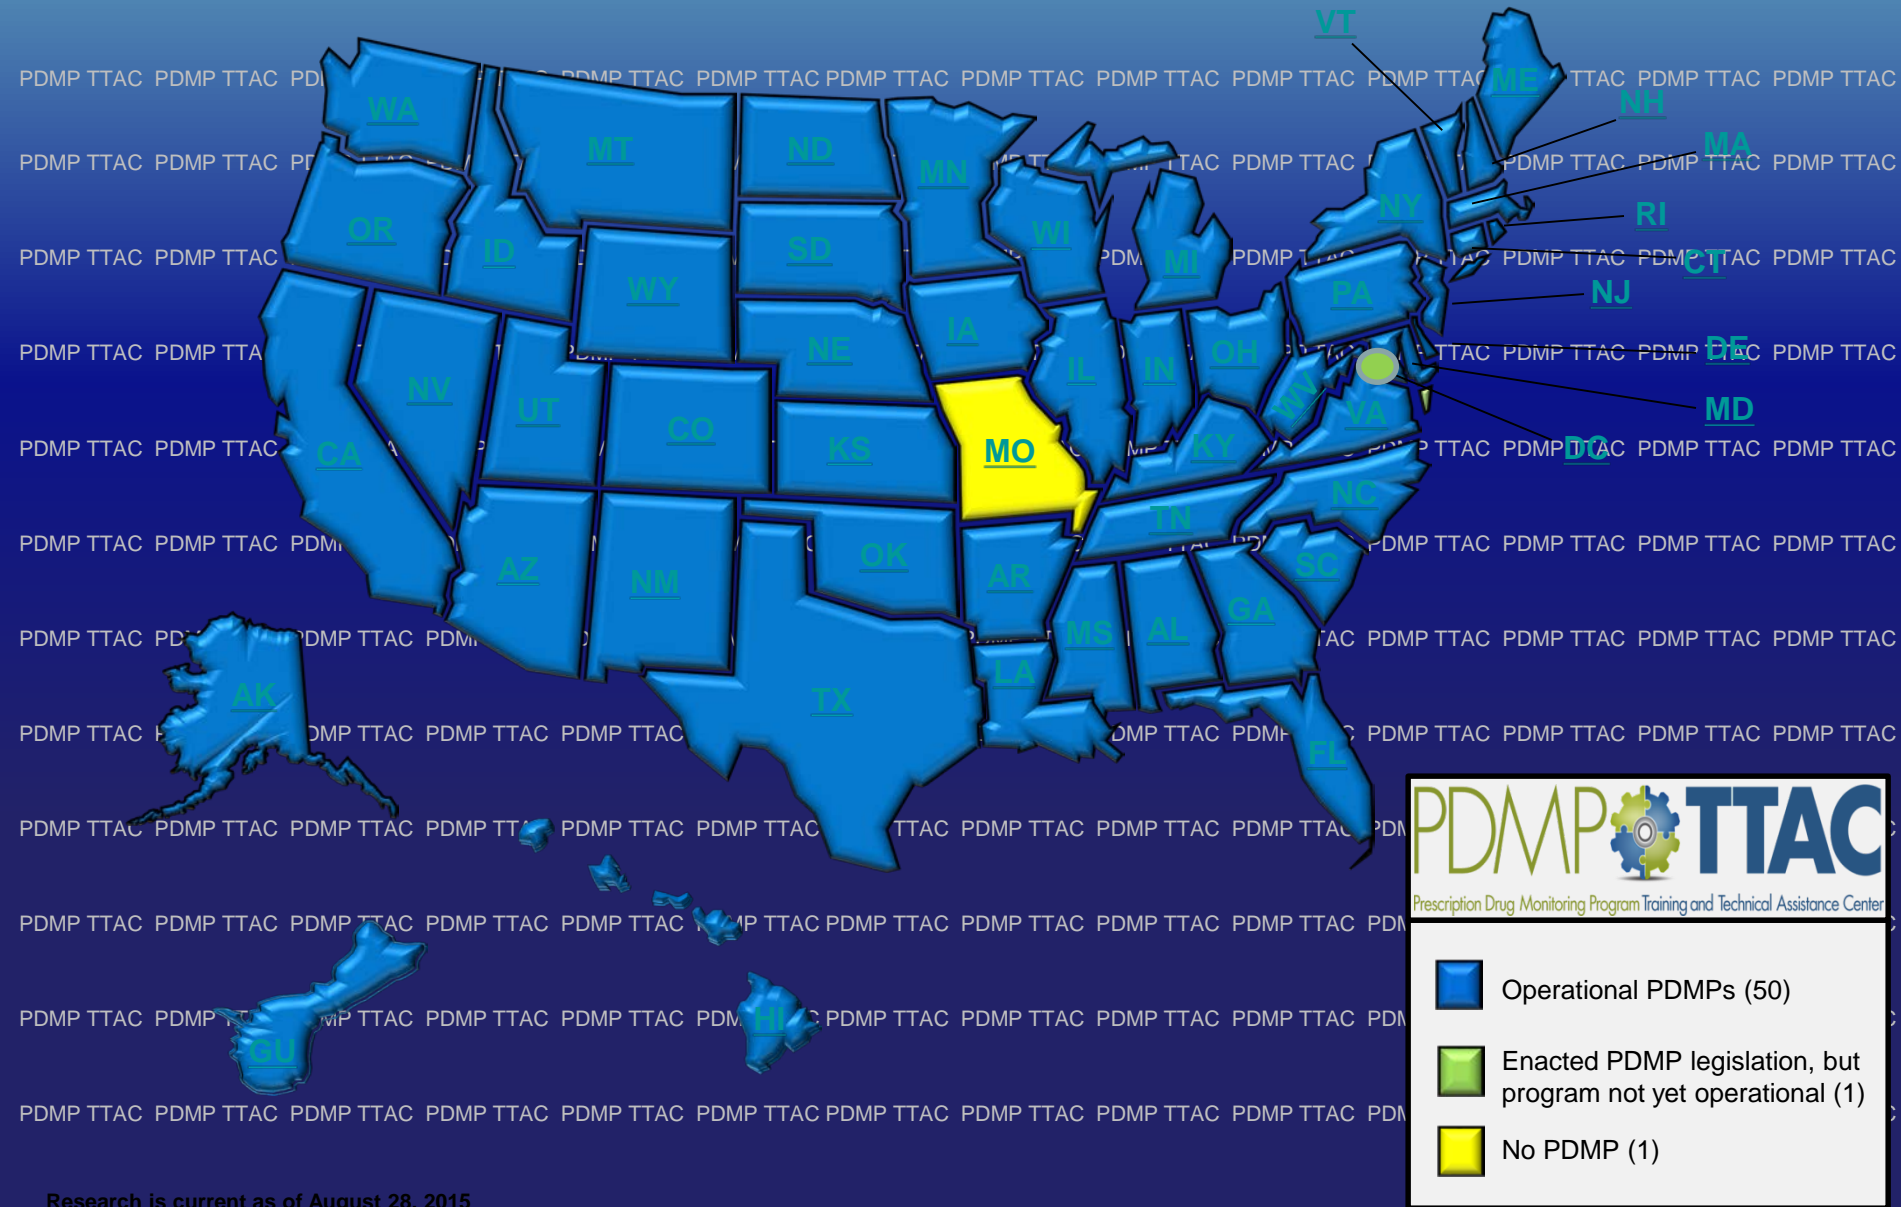

- General information about the AZ Controlled Substance Prescription Monitoring Program (AZ CSPMP)
- Explain how to gain access to the AZ CSPMP

Controlled Substances Prescription Monitoring Program

- Arizona's Forty-eighth Legislature passed H.B. 2136 establishing a Controlled Substances Prescription Monitoring Program (CSPMP). The bill was signed by the Governor on July 2, 2007 and become effective on September 19, 2007.
- The new statutes, A.R.S. Title 36, Chapter 28 are available on the Board's website www.azpharmacy.gov under the "Prescription Monitoring Program" link; then the Resource tab for Statutes. Our proposed rules are also available under the same link.

Status of Prescription Drug Monitoring Programs (PDMPs)

** Click on state abbreviation to view PDMP contacts **

Controlled Substances

Prescription Monitoring Program

- A.R.S. § 36-2602 requires the ASBP to establish a controlled substances prescription monitoring program that:
 - Includes a computerized central database tracking system track the prescribing, dispensing, and consumption of Schedule II, III, and IV controlled substances in Arizona,
 - Assists law enforcement in identifying illegal activity related to the prescribing, dispensing, and consumption of Schedule II, III, and IV controlled substances,
 - Provides information to patients, medical practitioners, and pharmacists to help avoid the inappropriate use of Schedule II, III, and IV controlled substances, and
 - Is designed to minimize inconvenience to patients, prescribing medical practitioners and pharmacies while effectuating the collection and storage of information.

Controlled Substances Prescription Monitoring Program

Purpose of the monitoring program:

- Improve the State's ability to identify controlled substance abusers or misusers and refer them for treatment
- Identify and stop diversion of prescription controlled substance drugs

Primary function of the Arizona State Board of Pharmacy:

- Provide a central repository of all prescriptions dispensed for Schedule II, III, and IV controlled substances in Arizona

Controlled Substances

Prescription Monitoring Program

A.R.S. § 36-2604 Use and release of confidential information

C. The board may release data collected by the program to the following:

- 1. A person who is authorized to prescribe or dispense a controlled substance to assist that person to provide medical or pharmaceutical care to a patient or to evaluate a patient..
- 2. An individual who requests the individual's own prescription monitoring information pursuant to section 12-2293.
- 3. A professional licensing board established pursuant to title 32, chapter 7, 11, 13, 14, 15, 16, 17, 18, 21, 25 or 29. Except as required pursuant to subsection B of this section, the board shall provide this information only if the requesting board states in writing that the information is necessary for an open investigation or complaint.
- 4. A local, state or federal law enforcement or criminal justice agency. Except as required pursuant to subsection B of this section, the board shall provide this information only if the requesting agency states in writing that the information is necessary for an open investigation or complaint.
- 5. The Arizona health care cost containment system administration regarding persons who are receiving services pursuant to chapter 29 of this title. Except as required pursuant to subsection B of this section, the board shall provide this information only if the administration states in writing that the information is necessary for an open investigation or complaint.
- 6. A person serving a lawful order of a court of competent jurisdiction.

Arizona State Board of Pharmacy

Controlled Substances Prescription Monitoring Program

- October 2008: Arizona began collecting data from resident and nonresident pharmacies. The first reports were due on or before Friday October 17, 2008 for the week ending October 11, 2008. Pharmacies were required to report their controlled substance data retroactively to April 1, 2008.
- October 2009: Began collecting data for dispensing practitioners.
- There are about 1691 resident and nonresident pharmacies reporting data and about 3800 dispensing practitioners reporting data.

LATEST NEWS

Summary

The Controlled Substances Prescription Monitoring Program (CSPMP) is a program developed to promote the public health and welfare by detecting diversion, abuse, and misuse of prescription medications classified as controlled substances under the Arizona Uniform Controlled Substances Act. To learn more about Arizona's Controlled Substances Prescription Monitoring Program history, [click here](#).

CRITICAL CHANGES TO CSPMP ACCESS

The CSPMP changed vendors to Optimum Technologies effective December 21, 2013. Notice of this change was sent via email to all current users. Your original PIN # is needed to reset your password in order to gain access to the CSPMP database. **Your username (which the previous vendor called Login ID) remains the same.** If you do not have your original PIN #, or are unable to access the system, please email chunter@azpharmacy.gov from the email associated to your account. If your email has changed we'll need your user name and the last four digits of your SSN to verify your registration.

REGISTRATION

Step 1 for Medical Practitioners (not pharmacists - see below)

A.R.S. § 36-2606 requires each medical practitioner who is licensed under Title 32 and who possesses a DEA license to register with the CSPMP. **Each DEA license should have an associated registration.** There is NO fee to the practitioner for this registration. This registration includes: MD, DO, DDS, DMD, DPM, HMD, PA, NP, ND, OD, and DVM.

Residents may register using the hospital DEA number and appropriate suffix.

ACCESSING THE DATA

Step 1 for Pharmacists & Delegates OR Step 2 for Medical Practitioners

The Arizona State Board of Pharmacy Controlled Substances Prescription Monitoring Program (CSPMP) grants system access accounts to practitioners and pharmacists so that they may look up, view, and print controlled substance dispensing information on their specific patients directly via user name and password. Access is granted to individuals only—not to clinics, hospitals, pharmacies, or any other health care facility.

To register for access to the database (medical practitioners must have completed Step 1 Registration)

PRIVACY STATEMENT

Statutory Authority:

Section 2602 of Arizona Revised Statutes Title 36, Chapter 28, the Arizona Controlled Substances Prescription Monitoring Program Act, requires the Arizona State Board of Pharmacy (ASBP) to establish a computerized controlled substances tracking system to track the prescribing, dispensing, and consumption of Schedule II, III, and IV controlled substances dispensed by a medical practitioner or by a pharmacy. The purpose of the program is to improve the State's ability to identify controlled substances in an efficient and cost effective manner that will not impede the appropriate medical utilization of licit controlled substances.

Access to Information:

A.R.S. 236-2604 (C) (1) authorizes ASBP to release the data from the Controlled Substances Prescription Monitoring Program (CSPMP) to persons authorized to prescribe or dispense controlled substances for the purpose of providing medical or pharmaceutical care to a patient or to evaluate a patient.

A.R.S. 236-2604 (C) (3), (4), and (5) authorizes ASBP to release data from the CSPMP to a professional licensing board, a local, state, or federal law enforcement agency or criminal justice agency, and the Arizona Health Care Cost Containment System (AHCCCS) Administration, after receiving a written request that states that the information is necessary for an open investigation or complaint.

Unlawful Disclosure:

Any person who is granted access to the information in the CSPMP database and who knowingly disclosed the information in a manner inconsistent with a legitimate profession or regulatory purpose, a legitimate law enforcement purpose, the terms of a court order, or as otherwise expressly authorized by A.R.S. Title 36, Chapter 28 is guilty of a Class 6 felony.

I understand that inappropriate access or disclosure of this information is a violation of Arizona law and may result in disciplinary action by my licensing board and/or revocation of database access privileges.

Account Agreement:

By signing this agreement I hereby agree to follow the security and password policies of the Controlled Substances Prescription Monitoring Program. I agree not to disclose, misrepresent any data or protected health information to any unauthorized person or party. I agree that I will not share any account information, login name, or password with anyone, even if they are authorized users of the program.

Patient RX History Report

PRESSLY WRIGHT Date: 01-24-2014

Page: 1 of 1

This report may contain more than one patient's prescription information. Please review the "Patients that Match Search Criteria" section below to ensure all prescriptions belong to the requested patient.

Search Criteria: ((Last Name Begins 'Wright' AND First Name Contains 'Pressly') AND (D.O.B = '07/09/1949' AND State = 'AZ')) AND Request Period = '04/01/2009' To '01/24/2014'

Patients that match search criteria

Pt ID	Name	DOB	Address
6421	WRIGHT, PRESSLY	07/09/1949	13170 W. ALVARADO CIR GOODYEAR AZ 85338

Prescriptions

Fill Date	Product, Str, Form	Quantity	Days	Pt ID	Prescriber	Written	Rx #	N/R	Pharm	Pay
07/22/2010	CHERATUSSIN AC, 10 MG/5 ML-100 MG/5 ML, LIQUID	120.00	2	6421	BRY DA53	07/22/2010	420892	N	BX9625560	01

N/R: N=New R=Refill
Pay:01=Private Pay 02=Medicaid 03=Medicare 04=Commercial Ins. 05=Military Inst. and VA 06=Workers Comp 07=Indian Nations 99=Other Total Prescriptions: 1

Prescribers for prescriptions listed

BRY DA53 DAVID BRYMAN 12020 S. WARNER ELLIOTT LOOP, SUITE 104 PHOENIX AZ 85044

Pharmacies that dispensed prescriptions listed

BX9625560 XPRESS CARE PHARMACY; 13055 W. MCDOWELL ROAD, BUILDING E, SUITE 103 AVONDALE AZ 85392 , PHONE

Disclaimer: The State of Arizona does not warrant the above information to be accurate or complete. This Report is based on the search criteria entered and the data reported by the dispensing pharmacy. For more information about any prescription, please contact the dispensing pharmacy or the prescriber.

10:51 AM 1/27/2014

Delegates

We can now give access to prescriber and pharmacist delegates. Prescriber may authorize Licensed and Unlicensed Delegates. Pharmacists may authorize Licensed Delegates.

Prescriber Delegates:

- Licensed: Registered Nurse, Licensed Practical Nurse, or Dental Hygienist
- Unlicensed: Medical Records Technician, Medical Assistant, or Office Manager

Pharmacist Delegates:

- Licensed: Pharmacy Intern, Pharmacy Technician, or Pharmacy Technician Trainee

New Registration

Call for Presentations

ARIZONA RURAL HEALTH CONFERENCE

The 43rd Annual Arizona Rural Health Conference is accepting proposals for Concurrent and Poster Presentations. The proposals must relate to the conference theme "Rural Partnerships: Working Together to Support Healthy Arizona Communities" and address one of the two tracks:

- Strategies for Improving Population Health and Reaching Underserved Populations
- Rural Health Care Systems

To access the Call for Presentations and Form, visit our website at <http://crh.arizona.edu/calendar/RHC2016>. The deadline for submission is **Friday, May 20, 2016**.

The conference brings together a statewide audience and allows for building and strengthening partnerships, discussing ideas and solutions, networking and disseminating information.
