ARIZONA TELEMEDICINE PROGRAM

SOUTHWEST TRC TELEHEALTH RESOURCE · CENTER™

NCC

WSRGN Western States Regional Genetics Network

Mountain States REGIONAL GENETICS NETWORK

Resources for Families: Enhancing the Genetic/Telegenetic Experience

Presenters:

Janet Major, BS
Associate Director, Distance Education and Facilities
Arizona Telemedicine Program and the Southwest Telehealth Resource Center
Kristi Wees, MS Chem
Consumer Engagement Director & Social Media Coordinator
Mountain States Regional Genetics Network
Sylvia Mann, MS, CGC
Supervisor, Genomics Section Hawaii Department of Health
Director, Western States Regional Genetics Network

Learning Objectives:

1. Describe the Telehealth Resource Centers, the Regional Genetics Networks and the National Coordinating Center for the Regional Genetics Networks.

2. Distinguish elements of public health genetics.

3. Identify resources and tools available for families to learn about telegenetic and genetic services.

4. Name three genetics and/or telegenetics family resources offered by the Western and Mountain States Regional Genetics Networks.

The Arizona Telemedicine Program, the Southwest Telehealth Resource Center and the mHealth, Technology & Distance Learning Special Interest Group of the American Telemedicine Association invite you to a free webinar to review the telemedicine and telehealth technology recently exhibited at the American Telemedicine Association's 23rd Annual Telemedicine Meeting & Trade Show: ATA 2018

Webinar

Thursday, August 9, 2018 ~ 12:00pm Arizona Time

(12pm PDT; 12pm Arizona; 1pm MDT; 2pm CDT; 3pm EDT)

"ATA 2018 Exhibit Hall Technology Review"

Learning Objectives:

1. Review some of the current trends observed at the annual signature event for telemedicine technology.
2. Take a virtual tour of the ATA 2018 Exhibit Hall & Showcase at the Chicago Convention Center.
3. Learn who and where you can go to get access to the best resources in telemedicine and telehealth technology.

Janet Major, B.S.
Associate Director
for Telemedicine
Education & Facilities

Janet Major is the Associate Director of Facilities for the Arizona Telemedicine Program (ATP). She earned her B.S. Degree in Telecommunications from Northern Arizona University with her major emphasis in producing and directing. She has worked at the University of Arizona for 30 years and was initially the primary manager of videoconferencing services at the Arizona Health Sciences Center. She has since been employed by ATP for 20 years. As Associate Director of Telemedicine Education & Facilities, her current responsibilities include the design, development and installation of the teleconferencing and telemedicine peripheral equipment used for telemedicine services. She also provides training to healthcare professionals in the effective use of teleconferencing for both clinical and educational applications.
Ms. Major has served as Co-Chair as well as Chair for the mHealth, Technology & Distance Learning Special Interest Group of the American Telemedicine Association as well as for the board of USDLA; the United States Distance Learning Association, representing the telehealth constituency and ATIC; the Arizona Telecommunications and Information Council where she is currently working with fellow telecommunications experts to implement a broadband plan to eliminate telecommunications disparity in rural and urban Arizona.

ARIZONA TELEMEDICINE PROGRAM

SOUTHWEST TELEHEALTH RESOURCE CENTER TRC

Video: Directory Overview

Welcome to the Telemedicine & Telehealth Service Provider Directory, a service of the Arizona Telemedicine Program. The directory is a resource for hospital and healthcare administrators and other decision-makers who want to expand or improve their healthcare services to their patients, employees, clients, etc. The directory lists companies providing medical specialty services (such as radiology, rheumatology, neurology, psychiatry) and ancillary services (such as patient education and language interpretation) through telemedicine to healthcare providers such as hospitals, clinics, nursing homes, private practices and urgent care centers.

Service Providers: List your company here.

ATP Training
https://telemedicine.arizona.edu/training

Arizona Telemedicine Training Program

TRACK 1: Developing a Telemedicine Program

2020: January 27, June 1, September 14

Course Content:

This conference gives a broad overview of a variety of telemedicine topics, including:

- Clinical services
- Telecommunications and infrastructure development/operations
- Distance education
- Evaluation
- Business aspects
- Equipment demonstration virtual tour

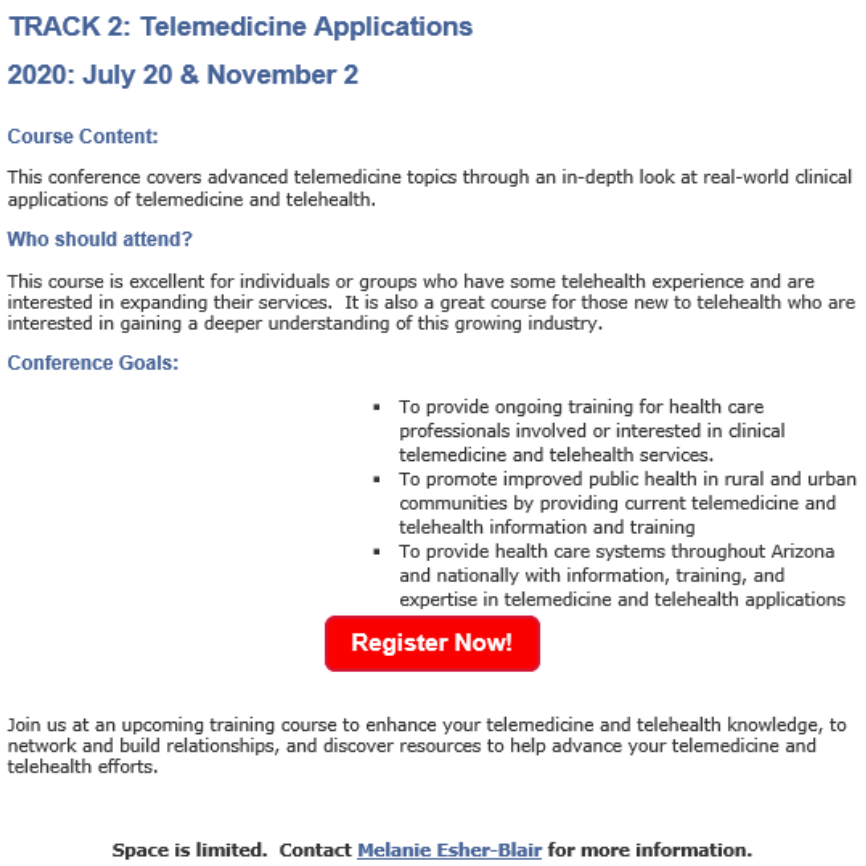
Who should attend?

This course is excellent for individuals or groups who have some telehealth experience and are interested in expanding their services. It is also a great course for those new to telehealth who are interested in gaining a deeper understanding of this growing industry.

Conference Goals:

- To provide ongoing training for health care professionals involved or interested in clinical telemedicine and telehealth services
- To promote improved public health in rural and urban communities by providing current telemedicine and telehealth information and training
- To provide health care systems throughout Arizona and nationally with information, training, and expertise in telemedicine and telehealth applications

Register Now!



TRACK 2: Telemedicine Applications

2020: July 20 & November 2

Course Content:

This conference covers advanced telemedicine topics through an in-depth look at real-world clinical applications of telemedicine and telehealth.

Who should attend?

This course is excellent for individuals or groups who have some telehealth experience and are interested in expanding their services. It is also a great course for those new to telehealth who are interested in gaining a deeper understanding of this growing industry.

Conference Goals:

- To provide ongoing training for health care professionals involved or interested in clinical telemedicine and telehealth services.
- To promote improved public health in rural and urban communities by providing current telemedicine and telehealth information and training
- To provide health care systems throughout Arizona and nationally with information, training, and expertise in telemedicine and telehealth applications

Register Now!

Join us at an upcoming training course to enhance your telemedicine and telehealth knowledge, to network and build relationships, and discover resources to help advance your telemedicine and telehealth efforts.

Space is limited. Contact Melanie Esher-Blair for more information.

Arizona Rural Health Association
https://www.azrhassociation.org/

ABOUT US | Health News/Policy/Advocacy | Youth Leadership Conference | More

Arizona Rural Health Association

The Arizona Rural Health Association, Inc. (AzRHA) was established in 1994 as an independent organization after serving as the Advisory Committee of the University of Arizona Rural Health Office (RHO) for many years. AzRHA is a not-for-profit corporation and while we continue to serve as the RHO advisory body, we've expanded to cover many other areas involving advocacy for rural healthcare programs.

The mission of the Arizona Rural Health Association is to be a leader in partnerships, education and policy for improving the health status of rural communities in Arizona.
