

## Improving Access to Quality Medical Care

The practice and delivery of healthcare is changing with an emphasis on improving quality, safety, efficiency, & access to care. Telemedicine can help you achieve these goals! The Arizona Telemedicine Program, Southwest Telehealth Resource Center, and the Arizona Department of Health Services invite you to a **free** webinar on the implementation and practice of telemedicine.

at 10:00 am PDT/1:00 pm EDT

For a Billing and Reimbursement Webinar

# “The Draft Medicare Physician Fee Schedule and Telehealth: with a Southwestern Kick”

### 3 Takeaways:

- 1) Why do the Feds' regulations affect our state policies?
- 2) What has changed since the draft came out in mid-July?
- 3) You can't get what you want, unless you ask! Or - where to submit comments about what your organization needs.

**Carol Yarbrough** is a healthcare compliance and reimbursement specialist. Providing a unique background in legal, technology, revenue management, clinic management and both federal and state regulations, for the past four years, she has actively contributes to telehealth initiatives at UC Health. She works hands-on with professional fee and hospital-based fee professionals to implement billing strategies and provides real-time feedback to clinicians regarding documentation and staff with encounter guidance. She also trains CPT coding professionals at UC Medical Center in order to maximize EMR workflow with greater documentation and coding
