# *The 2020 Census and Rural Communities: What Healthcare Providers Should Know*

### Learning objectives:

1. Understand the importance of a complete decennial Census count to rural communities
2. Learn why some individuals may be difficult to locate or reluctant to respond
3. Discover ways that healthcare providers can help promote a complete count

**Havala Schumacher**, Partnership Specialist with the U.S. Census Bureau, is a proud AmeriCorps NCCC and VISTA alum who believes in the power of public service. She works with nonprofits, healthcare providers, and others across Pima and Gila Counties to promote a complete and accurate 2020 Census count. Prior to joining the Census, Havala spent 13 years at the Department of State as an adjudicator, trainer, manager, and analyst. She lives in Tucson with her husband and rescue dog.
