Why Did You Say That?: The Tools to Manage Microaggression

Featured Guest From UCSF

Odinakachukwu (Odi) Ehie, MD

Clinical Assistant Professor of Anesthesiology

This workshop: part talk, part small-group breakout session and part personal reflection will be about understanding the concepts of microaggression and micro inequity as well as practicing the tools that can be used to address them through bystander training. This session will further build on the Implicit Bias presentation given by Dr. Moreno and the Anti-Racist Strategies and Action talk presented by Dr. Troutman.
